Biography

Jen Rozenbaum embraces her femininity while allowing women to embrace their own. By daring her clients to shed their clothes, they begin to shed their inhibitions. Since 2008, Jen has found a burgeoning audience in the intimate photography market and is now sharing her shamelessly feminine® movement with women worldwide. She proves that you can own your world if you live fearlessly, think audaciously and act spontaneously.

Jen is a portrait photographer, author, breast cancer survivor, hostess of the Shamelessly Feminine® podcast and the founder of the Reconstruction™ movement. Through her work, she is helping women celebrate their unique femininity and helping breast cancer patients and survivors put their lives back together after cancer.
